AREAS OF NON-COMPLIANCE	PLAN FOR COMPLIANCE

The General Assembly has authorized the State Board of Education to prescribe curricula and to make rules and regulations for approval and governance of all public schools, grades K through 12, or any combination of these grades (Section 49-1-101, through 49-6-201 of Tennessee Code Annotated). However, certain laws have been enacted and are still in effect, which are applicable to schools and school personnel. As part of the compliance report of the school system, the status of the LEA with respect to the legal duties and responsibilities should be carefully checked. There are no provisions in the laws whereby waivers may be granted or exceptions made for noncompliance.
